### **Favorite thing about St. Therese:**

Our families and dedicated and passionate staff and volunteers at our school and church are very involved and want to see our church, school, and community be successful. They make life enjoyable and easier.

**I am excited to:** see the children having fun learning in our school, get to know them better, and help them to grow in their personal development. This year will be a good year for all our students, families, and staff.

**Fun Fact:** I love the French language. I spent one summer studying French in Montreal.

### **Happy Birthday, Father Li!**

Our entire St. Therese Chinese Catholic School community wishes you a wonderful birthday filled with many blessings.

### ST. BARBARA CHURCH'S HVAC PROJECT

We are very excited to report that the St. Barb HVAC project is under way, with installation expected to be completed soon. The total cost of the project is estimated to be \$300,000, but the good news is that we already have \$100,000 funded via "To Teach Who Christ Is" and another \$100,000 secured by donor matching fund pledges...which means **our fundraising goal by the end of October 2022 is now only \$100,000!**

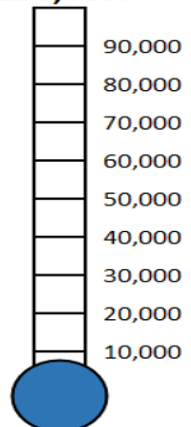

**This is where we need your help! Please help us complete this project** by donating through weekly, monthly, or one-time envelopes; or to donate online via GiveCentral, just scan the QR code here, or visit

<https://www.givecentral.org/location/445/event/34206>.

Please let us know if you need assistance donating online.

**As of September 12th, we have received \$7,785 toward this goal. Thank you to all our donors!**

Dear Sisters and Brothers in Christ,

The seminarians preparing to be the future priests who will serve our parishes are a great blessing to us. They have stepped forward to give their lives to minister to the children and grandchildren of this present era. Today, more than ever, we need compassionate and knowledgeable priests who will walk with us through life, sharing in our joys and sorrows and guiding us through life's challenges.

This is why we need to invest in their training at both the University of Saint Mary of the Lake/Mundelein Seminary and at Saint John Vianney College Seminary in Saint Paul, Minnesota. At Masses throughout the archdiocese this weekend, as we ask for your encouragement and prayers for our seminarians, we also ask you to invest in their formation. Your financial support will help to cover the educational and formational costs of their preparation, including tuition and fees, room and board and health insurance.

These young men are giving their lives for us, and I ask you to match their generosity by making a sacrificial gift as we take up this collection. You will be investing in them, but also in the future of our Church.

**A remittance envelope has been placed in your pew or at the back of the church for your gift.** You may also send your donation to your parish, noting that it is for "Seminar Education," or make a gift online at [archchicago.org/seminarianfund](https://archchicago.org/seminarianfund).

An additional way to support vocations in the archdiocese is by encouraging young men to consider discerning the priesthood. Many current priests credit their vocation to personal invitations and conversations with loved ones and friends who recognized the potential in them.

On behalf of current and future archdiocesan seminarians, thank you. May God continue to bless you abundantly. Please know that I keep you in my daily prayers and intentions, and I ask for yours in return.

Sincerely yours in Christ,

  
Archbishop of Chicago

### HOW DO YOU SERVE? By Sister Caritas

One of the jobs I had as I was growing up at home, was to do the grocery shopping for the family weekly. Obviously, my Mom taught me how to shop and handle money, as well as what she meant by the things she wrote on the grocery list. My brother, Ronald, next to me in age, and I would take our wagon with us to the grocery store. My Mother trusted me with the money we needed to purchase the groceries, as there was no such thing as credit cards then. My parents were of the opinion that if you couldn't pay for it you could not buy it. I brought the change home carefully. This was one of the ways I served my family and helped my mother, as she tried, with my father and then my step-father, to raise a family of five children.

Today the Gospel presents Jesus telling a parable or story. The story tells of the servant who was squandering his master's property. The Master berated the unworthy servant who he was firing. The servant reflected on what to do and decided to make arrangements with those who purchased the master's commodities. The servant would charge less for what those people would buy and that way he would have "friends" he could turn to when he no longer had a job. The Master recognized what the servant did and praised him for his foresight, but he still lost his job.

Jesus used this parable to teach His disciples the importance of really, completely serving the master who "hired you." Who is the one Master you are serving or are called to serve? Who is the one Master Jesus served in His life? The "Master" Jesus served completely was God, His Father. Who are the "masters" you try to serve in your life? Is it money, material things, or is it God whom you serve by keeping the ten commandments and following Jesus' teachings? The challenge can be difficult to sort out and see in your own life what you are really doing. What do you put first in your life? What do you usually choose when it comes to God and God's laws or the demands of acquisition of material goods, good reputation, or the calls of temptation to sin in our lives? Putting God first in our values and choices is not always easy. Take time to look at how you make choices and what you choose and why: *"No man can serve two masters. He will either hate one and love the other or be devoted to one and despise the other."*

#### UPCOMING EVENTS:

**Saturday, September 24, 2022, 5 pm @ St. Barbara**

**Movie Night**

YAM will be hosting a screening of **Father Stu** on Saturday, September 24, 2022. Please join us for the 5 pm Mass at St. Barbara and movie night afterwards in the St. Barbara gym. Food, drinks, and movie snacks will be provided.

Based on a true story, **Father Stu** is about a lost soul who finds his purpose in a most unexpected place. When an injury ends his amateur boxing career, Stuart Long (Mark Wahlberg) moves to L.A. dreaming of stardom. While scraping by as a supermarket clerk, he meets Carmen (Teresa Ruiz), a Catholic Sunday school teacher who seems immune to his bad-boy charm. Determined to win her over, the longtime agnostic starts going to church to impress her. But surviving a terrible motorcycle accident leaves him wondering if he can use his second chance to help others find their way, leading to the surprising realization that he is meant to be a Catholic priest.

In this *interactive and thought-provoking workshop*, you will be introduced to causes, accelerated and augmented by the onset of COVID-19, that have stolen our attention and focus, thus preventing us from being fully present to live our lives as we have been called. **Together we will walk through new thinking and perspectives to support living a more present, fulfilling life.**

Join us as we welcome back one of our own community members, former principal of St. Therese, Phyllis Cavallone. Phyllis is currently the Executive Director of Ladder Up, a nonprofit focused on offering free financial resources through a Tax Assistance Program (TAP), a pro-bono Tax Clinic, and a Financial Capability Program for low-income residents across Illinois.

Previously she served as the chief of academics for the Office of Catholic Schools for the Archdiocese of Chicago. Prior to the Archdiocesan position, Cavallone was the principal at St. Therese Chinese Catholic School where she was recognized for excellence in educational leadership as the 2017 Stanley C. Golder Leadership Award winner by the Golden Apple Foundation, among others, and was named a National Distinguished Principal of the Year, also of that same year. She also led the school with Ms. Oi to win two National Blue Ribbons from the U.S. Department of Education (2011 & 2018).
